Bihar Engineering University, Patna

B.Tech. 8th Semester Examination, 2024

Course: B.Tech.
Code:101803

Subject: Contracts Management

Time: 03 Hours
Full Marks: 70

Instructions:-

(i) The marks are indicated in the right-hand margin
*(ii) There are **NINE** questions in this paper.*
*(iii) Attempt **FIVE** questions in all.*
*(iv) Question No. **1** is compulsory.*

Q.1 ***Choose the correct answer of the following (any seven questions only):*** [2 x 7 = 14]

(a) A construction contractor cost control system can focus on the following:
(i) Direct cost control
(ii) Contribution control
(iii) Performance control using earned value management system
(iv) All

(b) Cost variance = Earned value – x. Then x is…
(i) Planned value
(ii) Actual cost
(iii) Cost performance
(iv) Schedule varience

(c) Y= Probability of occurrence of risk × Impact of the event. What is Y ?
(i) Y= Risk exposure
(ii) Y= Risk project
(iii) Y= Risk impact
(iv) All

(d) While submitting a tender, the contractor is to deposit a certain amount usually x of the total estimated cost of the work. What is x?
(i) 1% to 2%
(ii) 3% to 5%
(iii) 5% to 7%
(iv) 7% to 10%

(e) When is the earnest money returned to contractors who are not among the three lowest tenderers?
(i) Immediately after the tenders are received
(ii) Within a month from the date of receipt of tenders
(iii) Within a week from the date of receipt of tenders
(iv) None

(f) When is the earnest money returned to the second and third lowest tenderers?
(i) Within a week from the date of receipt of tenders
(ii) Immediately after the tenders are received
(iii) Within 25 days of the acceptance of the tender
(iv) Within 15 days of the acceptance of the tender

(g) What percentage of a project's cost is typically required as security money?
(i) 10%
(ii) 15%
(iii) 20%
(iv) 25%

(h) Security deposit is
(i) Deposited at the time of filing the tender
(ii) Deposited by the contractor whose tender is accepted
(iii) Deposited at the time of opening the tenders
(iv) Deposited for fair competition

(i) When is the security money typically refunded to the contractor?
(i) Immediately after the completion of the work
(ii) After one rainy season or 6 months of completion of the work, whichever is later
(iii) Within a week of the completion of the work
(iv) After the final payment is made
